CENTRAL FEMALE INSTITUTE,

CLINTON, HINDS COUNTY, MISSISSIPPI. THE Fifteenth Annual Session will commence, Monday, September 33rd. Pupils should make their arrangements so as to be present on the first day of the school. This Institution has three Departments of Instruction, Literary, Musical and Ornamental, The Literary Department is divided into BOARD, WASHING AND TUITION, payable in three courses, Primary, Preparatory and Collegiate, in each of which, the most thorough instruction is given.
Young Ladies who design to become teachers, will find here not only careful instruction, but have the advantage of having before them as a model a completely organized, and proper-ly conducted school. Among the advantages offered by this Institute are the following.

It has Teachers at the head of its Departments, of large and successful experience, and for assistants it employs only those who are known to be fully qualified. It is furnished with every requisite in the way of Philosophical, Chemical, Astronomical, Musical and Gymnastic apparatus, for mental and physical u ture; it has a 'ocation both accessible and healthful, and accommodations, which for neatness and comfort, far surpass anything it has before offered; and it has made for itself a history of unexampled prosperity, which gives every promise of future success and per-manency.

On account of the impoverished state of the country, the expenses of tuition in some branches have been considerably reduced from what they were last session, and in some, even below what they were in gold before the war-For further information, apply to Prof. WALTER HILLMAN, Principal,
